To All Registered Subcontractors,

Voluntary Subcontractor Registration Scheme
Notice of Change of Scheme Owner

PCICB Registration Limited has performed the role of Scheme Owner for the Voluntary Subcontractor Registration Scheme (VSRS) on behalf of the Construction Industry Council (CIC) since 1 February 2008 as stated in the Rules and Procedures for the Primary Register of the Voluntary Subcontractor Registration Scheme, Version 8 (Rules and Procedure).

The CIC keeps review of the VSRS with a view to meeting the needs and aspirations of the industry. To facilitate a more effective management of the VSRS and where necessary its future enhancement, the CIC will directly own and operate the VSRS with effect from 4 January 2010. In other words, the CIC will become the Scheme Owner under the Rules and Procedures in addition to its present role as the Scheme Operator.

Such change will not have any impacts on the current operations of the VSRS and its Registered Subcontractors.

For enquiry, please call our enquiry hotline at 3107-0698.

Yours faithfully,

LEE Shing-see

Chairman of the Management Committee
